DATA PROTECTION AND PRIVACY POLICY
Version 1.0

What personal data does the Registry Operator collect?

The Registry Operator will collect all registrant data required by specification 4 of the Registry Agreement with ICANN. This data is provided to us by the registrant’s domain Registrar for the purpose of operating the Registry Operator’s WHOIS directory.

If you are an individual registrant, the collected data will include personal details which you provide to the Registrar which may be considered sensitive and from which you may be personally identifiable (“Personal Data”).

As part of our commitment to compliance with data privacy requirements, and to reflect changes in Registry Operator operating procedures, we may need to update the terms of this policy from time-to-time.

How do we process data?

We will only use data provided to us about any registrant, including Personal Data, for the following purposes:

- inclusion in the said searchable WHOIS directory providing free public query-based access to the details as required by clauses 1.5 and 1.6 of specification 4 of the Registry Agreement (please see our WHOIS Policy);
- research on an anonymised amalgamated statistical basis;
- day to day operations of the Registry Operator, including email contact by the Registry Operator with the registrant as required in accordance with our Acceptable Use Policy;
- to our service providers which/who provide legal, accounting, delivery, installation, systems support, escrow, marketing, clearinghouse and directory services on our behalf;
- as may be required by law enforcement agencies or a court order or other compulsory operation of law applicable to the Registry Operator;
- as may be required by ICANN in accordance with a zone file access request in accordance with specification 4 of the Registry Agreement.

For more information please contact abuse@grs.domains.

Third party use

We will only share Personal Data with third parties as stated above. Our service providers companies are prohibited from retaining, sharing, storing or using Personal Data for any secondary purposes. However, please note that these third

effectiveness on an anonymous basis.

We will never sell Personal Data to a third party. However, we
cannot control the use made by third parties of WHOIS data
which is in the public domain and is searchable globally. We
disclaim all liability for any misuse of the data made by a third
party of WHOIS data.

We will also provide Personal Data to third parties when obliged
by applicable law. We may also provide such information where
legal action is proceeding or contemplated or as requested by a
legitimate law enforcement agency.
